

Jonah Anderson

Product Manager

Arlington, Virginia • +1-757-803-8443 • jonahmanderson10@gmail.com • linkedin.com/in/jonah-anderson-105b44191/

RELEVANT WORK EXPERIENCE

Qualtrics, Reston, VA

2021 – Present

Product Manager

- Led product development across multiple teams of engineers as Product Owner using an agile framework
- Owned product strategy and roadmap to develop API integrations with third party vendors
- Delivered complex ingestion solutions resulting in a 10% increase of new records processed to the core product over a half year period
- Implemented the migration of customers to AWS, which achieved efficient framework scalability at a lower operational cost
- Prepared internal and customer presentations to clearly communicate roadmap and newly released features
- Conducted market research and user interviews to scope new sources of data ingestion to platform

Clarabridge (acquired by Qualtrics), Reston, VA

2020 – 2021

Product Manager Associate

- Collaborated with engineers, marketing, services, and sales teams to deliver custom data pipeline integrations to customers
- Communicated frequently with customers and stakeholders to provide project updates and ensure requirements were within scope
- Proposed and enacted a plan to deprecate legacy data pipeline software resulting reduced upkeep and services costs
- Coordinated with other product managers to prioritize, develop and implement features from the roadmap

GreekRho, Charlottesville, VA

2019 – 2020

Co-founder and Software Developer

- Co-founded a start-up that streamlines communication, social events, and recruiting events for student organizations using software solutions at www.Greek-Rho.com
- Provided software and design development with Python, JavaScript, and the Django framework, deployed using AWS
- Handled customer relations to deliver a functioning SaaS according to client requirements
